Welcome to your August eNewsletter
I don't think I need to remind anyone that this year is a special year for our society.

The new year began last October by looking at the different ways that we could commemorate the 25th anniversary and so the hard work commenced.

A moment to reflect over the past year perhaps.

Work began early by considering what could we do? So firstly it was to be the coming up event - September's Open day / Fair, but also what else?

Well! Look out for your 'Special edition for September Magazine'.

Not to be missed!

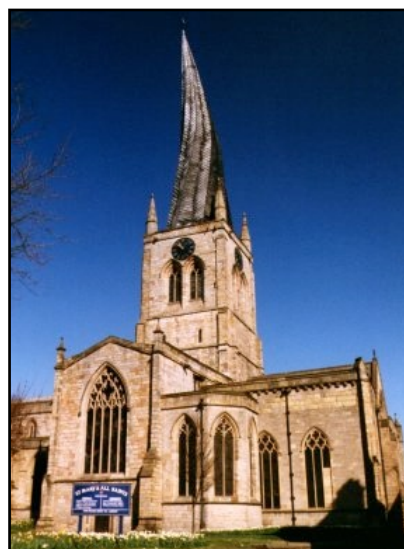

Lots of work as been put into this over the year as well as producing the other quarterlies too.

I would like to show appreciation by thanking, Editor Carol Morris and Assistant Editor Lynne Earland for all their hard work in putting the magazines together. Plus a big well done to Lynne who has worked very hard on the bumper contents.

The committee in all their roles have worked very hard work but have also put in extra effort to make this anniversary year a success. So many thanks to you all.

Now looking forward to the 'Main Event'. And to seeing as many of you as can make it on the day. Come and say hello.

**September's Meeting
and
Annual General Meeting**
Tuesday September 2nd

Our monthly meeting in September will begin at 7:30 prompt. The evening will begin with the 2014 AGM. Please come along and join us if you are able to. There are two new nominees for committee. Jayne Smith and Alan Godhard. There are a couple of other important votes too. One is the review of membership subscriptions and we will be needing your views. Also the committee is recommending a change in the subscription year from September as is current to January to January. This will distance the subscription due date away from the AGM. The AGM will be followed by a 30 minute member talk given by one of our founder members. Jo Gott. See page 3 for a small feature: About Jo.....
