Welcome to your June eNewsletter

This month has seen the celebration of the 70th anniversary of the D Day landings which was such an important strategic part of the 2nd world war.

I thought you might like this link and is directly to some excellent footage.

It is about five minutes long and well worth a look.

June Meeting Sheffield Manor Lodge Past & Present

by David Templeman

David gave a very interesting and comprehensive talk about the history of the Lodge. This was supported with many paintings and photographs that also depicting what the lodge may have looked like in it's glory; How it had deteriorated over the years. And finally through lack of interest of the Victorians into historical houses saw the Lodge's demise, there are very small remains.

The Charity 'Friends of the Sheffield Manor Lodge have been very successful in obtaining Heritage funding from the Lottery fund and this has enable them to protect what is left and develop the site.

Take it Further

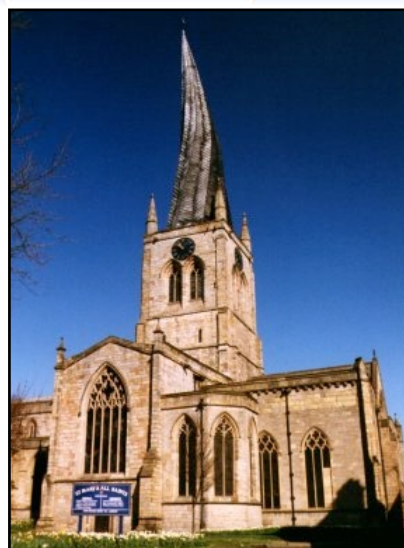

It is currently open for you to visit on a Saturdays.
