November's Meeting

Tuesday the 5th November

By the visitation of God

by

Mick Rawle

Mick was a soldier for 22 years in the REME where he repaired electronic equipment, Radios and Radars being his speciality and he was a Sergeant Major for 10 years before leaving the army in 1987. With his wife

Cheryl, Hillwalking, Gardening and more recently Indoor Bowling take up a lot of their spare time.

Mick started his Family Tree in 1982 but has been a professional genealogist since 1996, turning his hobby into his second job whilst still working in industry as a Production Controller. After being made redundant in 1999, Genealogy became his main job and still is.

He does a lot of work for the Leicestershire & Rutland Family History Society and was the Projects Coordinator for six years producing lots of saleable CDs during his time in office.

He teaches Family History and does Library Duty in the Family History Society Library once a month and is now doing a massive project for the Leicestershire Record Office updating the indices for all their Probate Records - Wills, Administrations, Inventories etc.

Mick also gives many talks on Genealogical and Historical subjects to various groups each year and the talk you are about to hear is all about the life of his Great Great Grandfather - a Journeyman Hatter.

You are going to learn about the Hatting Industry in the 19th Century and the real story of how Mick and Cheryl discovered how his Gt Gt Grandfather's death and burial came about.

You will find out why it is entitled 'By the Visitation of God' near the end.

EVERYONE WELCOME

Members observation.

Although the Society announces itself as 'Chesterfield and District' and goes on to say in the blurb that it covers 'The Old Scarsdale Hundred.' Would anyone in Canada or even the south of England or Scotland know what the Scarsdale Hundred was? They may just see 'Chesterfield' and think 'That's not for me' without realizing that it covers the whole of north east Derbyshire and includes the bits like Beighton, Norton, Mosborough and so on that were taken in by Sheffield.

I appreciate that we cannot change the name of the Society but could we add a bit - say Chesterfield and District FHS (including north east Derbyshire) or something along those lines..... **Fair comment dear member.**

The Scarsdale One Hundred Area covers:

October's meeting Speaker
Member Margaret Linacre
A Winter's Tale

How Margaret decided to offer her story for a members talk?

Margaret told us that she considers herself to be a novice genealogist and wanted to demonstrate how, by making use of the many resources available, it is possible to solve some very challenging problems. (Marion will be covering the fuller story and it will be in the next magazine)

Margaret had begun her families tree in 2009 when the weather was particularly bad, but the line she spoke to us about had proved particularly difficult. Then she joined CADFHS and progress was made by using available resources. Margaret then told us how she had also been inspired by Marion's member talk about resources available to Family Historians, and also Eileen's talk about the use of Wills to assist in research. She said that she did not have a story such as Carol's Lalle, but hoped that by sharing her her own experiences with other members might benefit and also be encouraged to share their stories too.....

PLEASE LET US KNOW IF YOU HAVE A STORY TO TELL AND WOULD LIKE TO SHARE IT TOO.....
